DIRECTIONS OF STITCHES

1. CHAIN: Make a loop, insert hook, throw thread over hook, and draw a loop through first one made. Each loop is a chain stitch.

2. SLIP STITCH: Insert hook in foundation chain, draw a loop through it and the loop on hook.

3. SINGLE CROCHET: Make chain, insert hook through second last chain, throw thread over hook, draw through, throw thread over hook, draw through both loops at once.

4. DOUBLE CROCHET: Throw thread over hook and draw a loop through foundation chain; throw thread over hook and draw through two loops, thread over hook and draw through last two loops.

5. TREBLE CROCHET: Throw thread over hook twice, draw a loop through foundation chain, throw thread over again, draw through the two loops, throw thread over and draw through two, thread over and draw through last two.

6. PICOT: Chain 4 and make single crochet in fourth chain from hook.

7. SPACE: This is for Filet Crochet Work. Chain two stitches, skip two stitches, one double crochet into next stitch.

8. KNOT STITCH: Having a st on the needle, drawing the loop out to the length of 3 ch, draw the thread through for ch st. Take up the single thread of this loop and work one sc st on it. Repeat once. Skip 5 sts of the previous row, if not knot st, and work 1 sc. If the previous row be knot st, make 1 sc each side of the sc between the long loops of last row.

9. BLOCK: Also for Filet Crochet. Four dc in adjoining sts. The number of dc in adjoining blocks is found by multiplying the number of blocks by 3 and adding one.

10. HALF DOUBLE CROCHET: Worked in groups of 3, 4 or more dc, by making 1st half of each st, holding last st of each till you have all of the stitches half made and working all off at once.

11. HALF TREBLE CROCHET: This is worked like the half dc except you throw thread over twice, two off, two off, holding last st of each tr until you have all 3, or 4, as the case may be, when all are worked off together as one st.

12. TRIPLE TREBLE: Worked like treble, but thread over 3 times.

13. FANCY MESH: Also called Lacet. This consists of two rows. The first a row of long meshes, 1 dc, 5 ch, skip 5 st, 1 dc, repeat. For the second row, 1 dc in dc of long mesh, ch 3, catch in center of 5 ch of 1 m, ch 3, dc over dc.

14. SHELL: Make chain required length. Ch 3 for 1st tr, 3 tr in 4th st of ch, ch 2, 3 tr in same st *, sk 5, 3 tr in next st, ch 2, 3 tr in same st. Repeat from *

2d Row of Shells—Make sh in each ch 2.

15. LATTICE STITCH: For the lattice st, make the first loop like the first loop of knot st, make a tight sc to hold the loop firm, then a dc, repeat as many times as desired.

16. DOUBLE TREBLE CROCHET: Is made similarly to the treble, the difference being that the thread is thrown around the needle twice and the loops are worked off two at a time for three repeats.

17. ROLL STITCH: Roll thread around needle 15 times, put thread over and draw loop through the entire 15 loops, then make one chain stitch.

2d Row—In each loop make 1 sc, 5 r st and fasten with 1 sc.

3d Row—Ch 6, letting ch pass at back of petal, fasten between petals, repeat 4 times.

4th Row—Fill each loop with 1 sc, 6 r st, 1 sc.

RINGS

Wind thread around little finger, slip off and fill with sc. You will need 18 rings for each star and 3 rings between the stars.

LEAF

Ch 20, 3 sc in 19th st, 1 sc in each of the next sts. (Turn ch 2 in each st to 3 sc, taking up back to form a rib.) 3 sc in middle st of 3 sc.

Continue around, making 1 st in each 20th st, until you have 6 ribs on each side.

Sew together neatly with needle and thread. Make stars and join like plate.

Sl st in end of leaf of star, sc, ch 3 dc in next rib, ch 3, tr in next with ch 3 between, increasing and decreasing the length of the st where necessary.

Join the stars together in this way and join to next star.

After joining your bedspread together, make half stars for top and bottom and 2-3 stars for the two sides.

Make a row of f m or sps all around bedspread for the fringe.
